Role Introduction:

Hello! Toastmasters and most welcome Guests.

I am....., playing the role of Word Master & Grammarian in today's meeting.

Grammar lays the groundwork for effective communication and is important for becoming an effective leader. The proper use of grammar is a sign of respect, both for speakers and listeners. For speakers, speaking clearly means they take the time to present themselves well and make a good impression on their listeners. For listeners, the proper use of grammar shows that their thoughts are being considered.

As a Word Master, I have come up with a **Word of the Day (WOD)**,<Word>.....

which means.....

The usage is as follows.....

And **Idiom of the day (IOD)** is<Idiom>.....

which means

The usage is as follows

Let's try to use WOD and IOD during today's proceedings and enrich our vocabulary. **Also, as a sign of encouragement to use them lets show a Single Thumbs Up when speaker uses WOD and a Double Thumbs Up when speaker uses IOD.**

As a Grammarian I will be noting down all the Good Usages (Tenses/Subject-Verb Agreements/ Pronunciation etc.,) and inappropriate usages of grammar in today's proceedings and will present my report when called up on by the General Evaluator during the Evaluation segment. Thank you.

Over to you General Evaluator, _____.
